

EU Studies: List of Approved Courses
European Union Center, University of Illinois
(revised August 2012)

The courses listed below may be used towards satisfying the requirements of the graduate major or minor in EU Studies. Some courses listed here may not be available for graduate credit. Please note, not all courses are offered every semester or every year, and some courses may have prerequisites. Some courses offered in professional schools may have restricted enrollment.

We will make every effort to update this list periodically. Students should consult the online university class schedule for current course availability, and may identify other courses for inclusion on this list pending EU Center approval. Please consult the EU Center staff regarding specific questions about applying the below courses to your degree major or minor program.
